## Part B

### **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Rajkiya Kanya Mahavidyalaya Shimla is affiliated to the Himachal Pradesh University, Shimla. The institute follows the syllabus and curriculum prescribed by Himachal Pradesh University, Shimla. The institute is offering undergraduate courses in arts, science and commerce stream. Since academic session, 2013-14 these courses are offered under the choice based credit system as prescribed by the Himachal Pradesh University, Shimla. However, due to adoption of UGC specified Choice Based Credit System by the Himachal Pradesh University, Shimla, our college also has to shift from Old CBCS to new UGC Choice Based Credit System. This has resulted in running of two different course structures. Therefore importance of IQAC in curriculum delivery has

increased manifold. To make teachers and students understand and adopt to this new course structure, an induction training programme was conducted in the college Auditorium in which Principal, Staff Members and students participated. Students were appraised with the changed course structure and system and also with the major difference between previous and new course structure. Teachers were also asked to appraise students about their problems and quarries. With regards to successful curriculum delivery and successful completion of curriculum within the stipulated time frame, all teachers were asked to prepare course-wise plan for the forthcoming session. Simultaneous running of two course structures whereas posed operational difficulties, it at the same time were also plagued by the paucity of the space due to major construction activity in the college campus. However, with the help of all teachers the curriculum of all courses were successfully completed within the given time frame. For effective teaching learning process to happen, the work load of each staff member is received by the Principal through the Head of the Departments. Each staff member is required to keep a copy of their work/teaching load and any other additional assignment as has been assigned to them from time to time. Frequent visit by the Principal to the departments and staff meetings regarding academic issues are also utilised in this regard. The student feedback taken at the end of the session also is used as a tool to evaluate the performance of teachers.

-------------------	---

college had a practice of taking student feedback at the end of the semester. The feedback so obtained is used by the institute in understanding the problems faced by students with respect to academic, co-curricular activities and other facilities and also for the purpose of seeking advise and input from the students so that the college can provide best quality services to the students studying in the college. From current academic session i.e. 2016-17 the Internal Quality Assurance Cell has decided to take feedback from the faculty members of the college along with the students of the college. For using the feedback obtained from students for utilising in overall development of the institution, the analysis of the feedback form is analysed and faculty wise findings are discussed with the Head of the Department concerned in the presence of the Principal. The head of the department is further directed to share the findings of the student feedback with the faculty concerned. They are further directed to ask the faculty concerned to overcome the shortcomings (if any) in the sessions to come. The improvements, if required, is further recorded during the subsequent academic sessions subject to continuity of services of the faculty member with the institute. The student feedback obtained used during the session is divided into three parts. First part of the student feedback form consists of student feedback on the curriculum that they are studying during the academic session. Second part of the feedback form consists of student feedback on the teacher's taking major and minor courses. In the third part of the student feedback form they are asked to rate the college administration and infrastructure that they utilised during their stay of three years in the college. Apart from student feedback from current session onwards the Internal Quality Assurance Cell (IQAC) has started the practice of taking the faculty feedback form as well. The faculty members of the college are also asked to rate the curriculum that they are taught during the session and also to the infrastructure and other facilities of the college. The data so collected at the end of the academic session is analysed and the findings are shared with the stakeholders. Review of the findings are discussed in the staff meeting and efforts are made to improve the shortcomings. In the meeting departments, faculties and facilities attracting best feedback are acknowledged and those lagging behind are encouraged to perform better in next academic session.

A mentor work is very wide ranging, particularly in college where a teacher besides a teacher he or she is a friend, guide and to an extent have a parental role. Students in higher education are involved in wide varieties of activities. Most of the under-graduate classes students take active part in extra-curricular activities. These activities are looked after by mentors. By the mentoring program students get academic and non-academic knowledge. There is tutorial system in some departments where teacher act as academic mentors. A student counselor meets every student of the college and offer counseling to those seeking personal help. The mentors provide encouragement, motivation, counseling and support where the students require additional help, which is beyond the abilities of the mentor he or she guide the students to right persons. Mentor help greatly in identifying diversity in terms of learning challenges as well. The mentors also provide additional support in term of providing additional support in terms of providing career guidance.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

As an affiliated institution of HPU, evaluation norms of the university are followed. There is complete transparency in the internal assessment of the students. At the beginning of the session faculty members inform the students about various components in the assessment process. Day to day performance of the students is assessed which includes regularity, performance, analytical skills. Regular unit test, surprise tests and quizzes are conducted prior to examination. Tutorial classes are conducted to clarify the doubts and re-explaining the critical topics. For enhancement of teaching learning process an academic calendar is prepared well before the commencement of the new session and gets published in prospectus of college. To nurture and develop the critical thinking, creative and scientific temper in students, various programmes like interactive sessions, paper reading, group discussions, academic debates, guest lectures etc. are organised under various clubs, societies and departments of the college. Staff meetings are conducted periodically to review the evaluation process.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Academic calendar constitutes as most imperative document of the institution. We at RKMV formulate our academic calendar keeping in view the academic

schedule given by our affiliating university i.e., The Himachal Pradesh University. The academic calendar is designed keeping in view that each academic year comprises of two semesters i.e., the odd semester and even semester. Our calendar provides insight into the schedule for admission, dates of submission of admission forms by students, dates for display of merit list, dates for fee deposit by the student, dates for regular teaching, roll-on admission dates for 3rd and 5th semester, Mid Term Test-1 and Mid Term Test-2, End Semester Examination schedule as given by H.P. University. However, the college is free to schedule its internal affairs so, the tentative activity calendar is designed to reflect important events that take place in our college viz., Principal's address to the students, formation of various societies/ clubs, fresher's party, NSS/NCC/ Bharat and Scouts enrolment, oath taking ceremony, meeting with the parents of both the hostels, college excursions/ study tours, educational tours, Pratispardha (The inter faculty competitions), Annual Prize Distribution. Our academic calendar displays the vacation schedule for summer break, Diwali break and winter break. The academic calendar displays the roaster for reservation of seats for various categories as per rules of H.P.U. the categories included are schedule caste, schedule tribe, achievers in sports, achievers in cultural activities, handicapped and single girl child.

**Classroom Maintenance:** The cleanliness and upkeep of the available 33 classrooms is high on priority. Grade IV employees and safai karamcharis are employed to ensure cleanliness of the entire campus. Adequate number of desks, benches, lecterns and boards are made available in every classroom. Smart classrooms are maintained with outsourced professional help. A Purchase Committee has been constituted to make necessary purchases on the approval of the Principal. Purchases are also made on the recommendation of the IQAC cell. The students are sensitized regarding keeping cleanliness in the classrooms and the campus. Dustbins are made available easily for garbage disposal.

**Maintenance of Computers and IT facilities:** Computer and IT facilities are maintained and upgraded with outsourced professional help. The purchasing and upgradation is done with UGC grants and aid received under RUSA. The resources are upgraded according to the needs of students and the administration. The IT facilities are modified or enhanced with the approval of the Principal on the recommendations of authorized committees.

**Laboratory Maintenance:** The laboratory equipments, specimens, chemicals etc. are purchased by the recommendations of the teaching staff of the respective departments on the approval of the Principal. Laboratory Assistants are available with the concerned departments. They supervise practical work and check and maintain laboratory equipments for the smooth functioning of the departments.

**Student Support and Welfare:** The college ensures a supportive on campus environment for the students and their welfare is of utmost importance for the institution. Various committees like the Canteen Committee, Bus Pass Committee, Anti Ragging Committee, Cultural Committee, College Magazine Committee, Hostel Committee, Library Committee etc., have been constituted under the aegis of the Principal to provide support services to the students. These committees work actively throughout the academic session and maintain constant communication with the students to look into their needs and demands. The college provides safe, secure, comfortable and affordable stay to its students by providing 2 hostel facilities. These hostels have proved to be a boon for the girls of the hill state of Himachal as many of them come here from remote areas to study. Hostel Wardens and the Hostel Committee monitor the upkeep of the hostels. On campus

bank facility is provided to the students to meet their banking needs. A well furnished and hygienically maintained Canteen, which serves healthy food and eatables is provided to the students. Its cleanliness and quality is monitored and maintained by the Canteen Committee of the college. A Girls Common Room is made available for the students keeping their privacy and entertainment needs in mind. Clean and well maintained washrooms equipped with sanitary napkin vending machines are maintained by the college administration and respective committees. The college provides infirmary services with the help of a full time pharmacist. Its location in the vicinity of a medical college and hospital ensures proper medical care to the students of the college.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

After the commencement of every academic year the student Central Association (C.S.C.A) the College is formed every year as rule and regulations notified by the Himachla Pradesh University. It has nominated office bearers comprising of president Vice president, General Secretary, Joint Secretary and class representatives. The students for the C.S.C.A are selected / Nominated on the basis of their merit from all streams and all classes and due representation is also given sports, cultural and other societies as well. The C.S.C.A is guided by the DSW committee and the principal. The C.S.C.A looks after the extracurricular activities, cleanliness of the institution, and sensible demands of the students. So, the members of the student council actively participate in academic, administrative and developmental activities of the college. The teachers from the staff act as guides and mentors of the

association. We in RKMV have various societies which provide a platform for the students to participate with in the college as well as outside the college events under the S.C.A and D.S.W committee. Various academic and administrative committees • Canteen Committee • Hostel Committee • Fresher's Committee • Youth Festival Committee • Scholarship Committee • Career Counseling Placement Committee • Women Cell against sexual harassment Committee • Educational tour/excursions/Picnic Committee • First aid Committee • Sports Committee • Cultural committee • Discipline committee • N.S.S, N.C.C, The Bharat Scouts and guides, Youth Red Cross, Rotract and Red Ribbon Club. We have an activity calendar for various student events during the session. These events are led by the students and supervised by the staff members. The aim of these events is to inculcate the discipline in the students and to build their confidence and develop their personalities. Various student activities held every year are: Fresher's party, farewell party, oath taking ceremony, P.T.A meeting, Annual Athletic meet, Educational Tours, Annual Prize distribution function, cultural and sports events. RKMV also publishes its Annual Magazine 'PADAM' with help of editorial team comprising of faculty members and the students. College Magazine provides a platform to the students to express their flair for writing and creativity through articles, poetry, photographs etc. Major distinctions of the students in cultural and sports activities are highlighted in the Magazine.

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Conduct of Examinations. As a regular feature of the college, the term-end University Exams as well as Mid-term internally conducted house exams were conducted. The process was successfully accomplished by the collective efforts

of the office and the teaching staff. The date sheet is of mid-term exams is prepared in consultation with the Principal in a meeting of the staff council. The Question papers are designed by the concerned teachers and submitted to the examination committee for timely printing and procurement of other stationery required for the conduct of the exams. The faculty members are assigned duties for invigilation during exams and are informed about these duties electronically as well as through a notice circulated centrally. The non-teaching and ministerial staff members are assigned miscellaneous tasks to assist in the conduct of examinations. Respective teachers evaluate the answer scripts and inform the students about their performance in class. Answer booklets are shown to the students so that they can be made aware of their performance and doubts, if any, are addressed. Internal assessment awards are uploaded on the Himachal Pradesh University ShikshaPariksha e-Examination Utility. Annual Prize-distribution Function. The annual prize distribution function is held at the end of each academic year. For the smooth conduct of the function, various committees of teaching and non-teaching staff are formed. Names of prospective prize winners are invited from the various departments and committees by the compilation committee. The tentative list of winners is displayed on the college notice board to invite objections against discrepancies. The purchase committee is assigned the task to the purchase of prizes by following all codal formalities. The certificate writing committee is given the task of writing the certificates. In addition to these committees, there are other committees that are allotted different tasks for the smooth conduct of the function. On conclusion of the function, all the committees submit their statement of expenditure along with the bills to settle the accounts.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

I. Renewable Sources of Energy: Energy conservation has been treated as a priority area, both in terms of adopting concrete energy saving strategies on the campus and also in creating awareness among students and staff about its critical significance. The sun as primary source of energy can be tapped to light our colleges and universities. Major initiative has already been taken by the college by installing solar water heating systems in college hostels and is planning to install additional solar panels on the roof of science block to cater ever rising power requirements of the college. II. Plastic Free campus: RKMV maintains a plastic free campus. Since Himachal Pradesh has been declared

as plastic Free State by the Govt. the college also adheres to this practice. Girls are counseled from time to time not to use plastic bags in college and are encouraged to use cloth bags. More cleanliness drives are conducted in surrounding areas of college to ensure the plastic free/eco-friendly environment in the college. Students are educated about the side effects of use of plastic. Students are promoting plastic free environment by carrying cloth bags, jute bags, canvas bags, backpacks etc. Different talks are conducted to educate students about toxic chemicals leach out of plastic and causing cancers, birth defects, impaired immunity, endocrine disruptions and other ailments III. Paperless office The college has a paperless office. Examination forms are filled online and results are also declared online. Salary statements are generated by the e-salary software of the Govt. of Himachal Pradesh. Notices to the staff are sent online. The entire process of applying for scholarships and crediting the scholarships to the accounts of students is also done online. Majority teachers have social media Whatsapp group of their students through which all important instructions are promulgated. All important instructions and directions from the University, Directorate of Higher Education and Sectary of Higher Education, are conveyed through e-mail. Most of college administrative works are carried out without use of paper such as making of seating plans of house and university examination. IV. Green campus The college administration takes keen interest in keeping the college green and beautiful. Students and staff collaborate in placing potted plants in baskets. Tree plantation drive is carried out by Eco club, NSS, NCC, Rangers and Rovers every year. A green patch has been created near the tribal hostel where different varieties of plants are planted. Girls residing in the hostel also take care of the potted plants in the hostel premises. Van Mahotsav is celebrated every year. V. Compost pit All the biodegradable waste of girls' hostel is dumped in the compost pit to make manure and to bring that in use for planting new flower pots in hostel.

## 7.2 – Best Practices

### 7.2.1 – Describe at least two institutional best practices

**Best Practice I** Title of the Practice: Clothes Bank Objectives: To inculcate human values among students The objective here is to teach the girls that selfless social is what true self-worth is about. The Context To inculcate human values among students the concept of contribution to society is encouraged at RKMV. Students here are taught that social work can be done with minimum or no expenditure at all. It is motivation that is required to contribute to society. For inculcating above values, the donation of cloths through various societies of the college is continued every year. The Practice The College has been continuously transforming the lives of thousands of girls every year. Students are encouraged to inculcate the human values of caring, sharing and developing empathy towards the needy and the under privileged. They are taught that by helping others we are making this world a better place to live in. The basic objective of the clothes bank is to collect cloths from students who no longer need them and distribute these cloths to poor and needy. When the donation box is full these clothes are distributed among the under privileged. The gratification expressed by the recipients is a motivator for this noble activity. The students and staff also distribute these clothes through the Red Cross and Rotary Clubs, to the poorer patients and their attendants at the State Hospital (IGMC). These activities make the students realize the hardships of the poor and less fortunate and infuses a sense of empathy for fellow humans. Evidence of Success The evidence of success lies in the fact that requests for more such activities is ever increasing. The number of volunteers is also increasing rapidly. More and more students want to be part of these activities. The students are involved in both collection and distribution which gives them a great sense of gratification. Problems

Encountered and Resources Required At the very outset the students had to be motivated for these activities, which were done by changing their mind sets through various interactions such as general announcements, group discussions and face to face conversations etc. Best Practice -II Title: Healthy mind in healthy body Objective: Our institution believes that a healthy body and a healthy mind are both essential for the holistic development of society. Keeping this in mind a particular medical theme is chosen every year and practically applied. This practice also leads to the development of personalities capable of being successful both at the work place and also in the running of homes. When health is assured students work to the best of their ability and their efficiency increases. The Practice The College endeavors to make girls realize that their health is as important as their male counterparts. This has helped in correcting the long standing misconception that only the health of the bread winner, who invariably is a male, is important. The girls have also been made well aware that household work requires as much or even more energy than other professions. Effort is made to make girls realize that in order to be effective workers, good health is paramount. Keeping this in mind the institution organizes health camps, lectures and workshops at regular intervals. There were mainly two problems encountered in carrying out the practice. Firstly effort had to be made to motivate the students to attend the awareness lectures and health checkup camps. Students were explained how these camps will help in improving their health. The second problem was regarding arranging the medical checkup teams (Doctors and paramedical staff for conducting various health checkup camps).

The second problem was regarding arranging the medical checkup teams (Doctors and paramedical staff for conducting various health checkup camps). Best Practice III Title: Roti Bank The context Collection of roties donated by students and staff of RKMV which is further distributed to an NGO Almighty Blessings". The Practice RKMV Roti Bank works in collaboration with an NGO Almighty Blessings, which serves langar to patients and their attendants at cancer hospital, IGMC Shimla and Kamla Nehru Hospital for Women. The students and staff of RKMV contribute rotis to this NGO, which are served in the evening at both the hospitals. Alumni association of RKMV has also organized Langar at the cancer hospital. Students also help in serving the patients and their attendants during the langar. This practice helps in imbuing in the students the value of dignity of labour. Students realize that service to the needy is service to God. The students and the staff of college is motivated to celebrate their birthdays and other festivals by donating raw materials or token money for langars in IGMC hospital. Best Practice: IV Title: Book Bank Objective: Usable old textbooks from students of all classes are collected for a Book Bank. The idea is to inculcate the feeling of caring and sharing among students. And to help needy students. The context All the students of RKMV do not belong to a sound financial background. To help such students book banks have been created by the different departments and hostels of the college. The Practice Indira Gandhi Tribal Hostel 'Book Bank' has more than 400 old text books voluntarily donated by student further provided to needy students free of cost. This lessens their economic burden. These textbooks have to be returned after completion of the academic year so that these can be reused by incoming students. Such book banks are also created by the different departments of the college. These books are further provide books to the needy students. Reusing textbooks also conserves resources and curtails paper waste, besides educating children to

recycle and take care of the environment. This will reduce strain on natural resources and lower the cost of producing paper and textbooks. The evidence of success The evidence of the success of these book banks lies in the fact that Indira Gandhi Tribal Hostel 'Book Bank' has more than 400 old text books voluntarily donated by students. Every year large numbers of students use books from these banks and complete their education without much financial burden over their families.

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution always looks forward to mould and empower the students in the pursuit of knowledge, values, social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The institution with a status of "COLLEGE WITH POTENTIAL FOR EXCELLENCE" accredited by UGC is the only government college for girls in Himachal Pradesh. An effort is always being made by the college to live up its motto "Sa Vidya Ya Vimukta" "Knowledge is that liberates" which motivates us in our quest for perfection and liberates us from the shackles of ignorance and darkness around us and leads us on the path of enlightenment Ever since its inception there is a strong commitment to excellence in teaching and sports. It's rich academic as well as sports tradition has always attracted the most talented students who later on went to make important contributions to the society. Our distinguished sports women have bagged top position in Kho-Kho championship in All India inter varsity competition. The college students won four gold medals in HPU inter college Boxing championship, 2 gold medals in HPU inter college Judo championship, silver medal in all India interuniversity boxing championship, two in Senior Nationals in judo, 3 silver medals in HPU inter college Taekwondo championship, three silver medals in HPU inter college wrestling championship, 1bronze medals in HPU inter college wrestling championship, bronze medal in 5000 and 10000 meters each in HPU inter college annual Athletic Meet, bronze medal In inter college Judo championship , 6 bronze medals in HPU inter college yoga championship. The College secured 2nd position in HPU inter college cross Country championship and third position in HPU inter-college yoga championship. Distinguished students of our college were also highlighted in the newspapers. Neelam a student of B.A-III represented the nation in South Asia Federation games held in Guwahati in 2016. Shashi k. Negi and Pema Negi also brought laurels to the institution by winning gold medal in inter college boxing championship. In spite of no fully fledged playground the college distinguishes itself in sports faculty holds top positions in this area which aids in proving its motto of "Potential for Excellence". Inclusive Education is the key feature at RKMV. Visually impaired students are encouraged by the collage and they complete their graduation while residing at the tribal hostel. The college management in collaboration with an NGO provides all facilities to these students in the mode of Braille script, walking sticks with sensors, scribes for examination etc. One of our visually impaired students qualified NET and performed abroad. She was also declared as "YOUTH ICON" by the state government. RKMV has also been excelling sports. It has won the overall trophy for the best college in sports twice in the last five years. special mention needs to be made here of the college "Kho-Kho" team which won the HP University state championship repeatedly and individual players have been selected at the national level.

## 8.Future Plans of Actions for Next Academic Year

In view of simultaneous functioning of two academic systems i.e. UGC recommended Choice Based Credit System (CBCS) and Himachal Pradesh University's own RUSA (CBCS) the need to plan the proper functioning of the academic session become an important task for the Internal Quality Assurance Cell (IQAC). Along with it the simultaneous running of construction work in the college premise has put the already available limited resources under stress. Given these limitations, the proposed plan of action for the academic session 2017-18 will be as follows: 1) Working towards second cycle accreditation process: Due to some reason the NAAC re-accreditation process of the college is pending since 2008. In next academic session the IQAC activities will be focused around the completion of the process. 2) For effective conduct of academic and co-curricular activities, the IQAC of RKMV Shimla will implement criteria specific approach for forthcoming academic session. a. Criteria I: Keeping in view the feedback received with regards to academic delivery of the faculty members and for effective implementation of curriculum the focus of the IQAC will be on strengthening the department level planning in this regards. During the second year of implementation of UGC (CBCS) the department will be asked to offer value based courses as skill enhancement courses to improve the employability of the graduating students of the institution. b. Criteria II: Teaching Learning and Evaluation: This criteria will be of special interest for the IQAC for the session. Under this head the emphasis will be on management of teacher student ratio, student mentoring system and on improving the student evaluation system of the college under CCA. c. Criteria III: Research, Innovation and extension: Under this criteria the focus of IQAC shall be on maximising the teacher's participation in research activities. Teachers shall be encouraged to take up major or minor research projects. d. Criteria IV: Infrastructure and Learning Resources: under this head the student feedback received for the session 2016-17 seeks for intervention. The library at RKMV is one of the biggest asset whereas IT is something in which IQAC plans to focus on during the forthcoming academic session. e. Criteria V: Student support and progression: Efforts will be made to include majority of students under the scholarship net and further initiatives will be taken to enhance the capacity of students, the strength and applicability of the student grievance redressal, prevention of sexual harassment and anti-ragging measures will be reviewed and strengthened wherever applicable. f. Criteria VI: Governance, leadership and development: implementation of e-governance in the field of research and development will be practiced, teacher's participation in professional development programmes will be encouraged. g. Criteria VII: Institutional Values and Best Practices: emphasis on providing much needed assistance to Divyangjan, use of solar energy etc will be taken.
