Proceedings of the Meeting held on 6th March 2024

A meeting of IQAC along with the convenors of QIF Criterions was held under the chairmanship of the Principal Dr Anurita Saxena. The meeting was a prelude to the training-cum-interactive session on the topic "Understanding NAAC," to be held the next day. The Workshop-cum-training session, on 7th March 2024 would fall under the 'Multiverse Lecture Series' and would be conducted by the Coordinator of IQAC, Dr Madan Lal Mankotia.

In the meeting the Principal Dr Anurita Saxena, stressed that for enhancing the educational quality the finer details of the all criterions must be comprehensible to all the staff members, as this will allow exploration of strategies for effective and better accreditation processes.

In the meeting, the convenors discussed the QIF Criteria and urged the necessity of detailed understanding of the different criterions, which was decided to be taken up in the succeeding proposed Workshop. Keeping in mind the current and successive session, various observations, initiatives and strategies, which can fetch more weightage and the best grade were thought off. The details of these are given as below:

- 1. To arrest dropouts and maintain the enrolled students, a mechanism needs to be devised to improve the teacher-taught ratio.
- 2. To make Deans in Science, Humanities and Commerce in order to address students' issues.
- To make an internal Board of Studies in the college, that will work in the direction of curriculum enrichment. The Board will prepare periodic reports on the basis of feedback obtained from different stakeholders and will send the report in the form of suggestions the University through IOAC.
- To form a Research and Design Wing which will promote and facilitate innovative teachers and students, by providing remuneration, whose research works gets published in UGC Care Listed Journals/books etc.
- To initiate Internship and Short term Certificate Courses in the subjects of Nutrition, Dance, Music, and Painting. These certificate courses will be of 2 Credits and 30 hours duration or as envisioned in NEP, 2020.
- 6. To ensure that Academic and Cultural functions are not to be clubbed together. Further it was decided to place all cultural activities in certain groups. To curtail cultural functions in the college and limit them to post-lunch period, in order to give more time to academics.
- To engage the college auditorium for general academic and cultural functions only and not for individual departmental function. In such a function the staff participation will be mandatory.
- 8. To form a Veteran OSA in the college.

- To promote the students to participate in workshops and fieldwork studies in addition to their Assignment works.
- To purchase references books, computers and other necessary requirements in the current session, 2023-24 out of forfeited library security.
- 11. To form different College Cells that will oversee miscellaneous qualitative aspects in the college: Industrial Linkage Cell, Career Guidance & Classes Cell, Collaboration Cell, Value Added Courses Cell, Short Courses Cell, Counselling Cell and IPR Cell.
- To incentivize 100-150 students in the form of stipends based on performance in academics and extra-curricular activities etc.
