

4.15 Recognition for Exemplary Contributions of the Staff and Students

Rajkiya Kanya Mahavidyalaya (RKMV), Shimla has been consistently committed to promoting environmental awareness, sustainability, and eco-friendly practices within the campus and the community.

In recognition of these efforts, the institution was honored with the **Environmental Leadership Award 2023–24 on the occasion of World Environment Day (5th June 2025)**. The award was conferred by the Hon'ble Chief Minister of Himachal Pradesh, Sukhvinder Singh Sukhu.

This prestigious award, instituted by the Department of Environment, Science Technology & Climate Change, Himachal Pradesh, was presented to the college for securing first position in the category of academic institutions. The recognition highlights the institution's proactive initiatives such as environmental awareness campaigns, waste management practices, green campus development, and active participation in sustainability-driven programs.

Appreciation Letter

This Certificate of Appreciation is awarded to Rajkiya Kanya Mahavidyalaya, Shimla for its commendable work and the successful organization of impactful programs carried out through awareness, participation, and continuous efforts in the field of cleanliness under the Swachh Bharat Mission, Tree Plantation, and Plastic Disposal Awareness Programme. The college has made a noteworthy contribution towards building a clean and healthy society through cleanliness drives, public awareness activities, development of clean surroundings, and social participation. These efforts are not only helpful in the personality development of students but also serve as a source of inspiration for society.

The Municipal Corporation, Shimla, hopes that Rajkiya Kanya Mahavidyalaya, Shimla will continue to contribute consistently in the field of cleanliness and environmental protection in the future as well, with the same enthusiasm, commitment, and sense of responsibility.

With best wishes.
