

NCC

National Cadets Corps is a voluntary organization which is administered through the Ministry of Defence.

The NCC provides exposure to the cadets in a wide range of activities., with a distinct emphasis on Social Services, Discipline and Adventure Training. The NCC is open to all regular students of schools and colleges on a voluntary basis. The students have no liability for active military service.

The Defence Secretary is overall in charge, who is responsible to the Government of India for efficient functioning of the NCC and other matters. A NCC cadet by the very fact of being an active cadet has to shoulder extra responsibilities unlike her fellow classmates who are not members of NCC. Her responsibilities are nowhere written but obligatory as an outcome of her training. Thus she fulfills the main aims of NCC i.e. becoming potential leader with character qualities and responsible citizen. She has separate responsibilities to her NCC unit, organisation, her institution, society and towards the county. It includes active participation in social awareness initiatives, environmental issues, disaster relief, adventure and sports activities and other nation building efforts. It doesn't end with her NCC training at institution, but has to be carried forward to wherever she is going to be engaged in the future too. Thus with passage of time, country would have had passed cadets occupying leadership positions in all walks of life adopting the noble values and objectives on NCC. **At present RKMV College is having a Company 1HP Girls BN NCC, Solan where 107 cadets are enrolled.**

The NCC is commanded by the Associate NCC Officer (ANO) Major Dr Luxmi.
