

ACTION TAKEN REPORT (ATR)

Session at a Glance

Session 2025–26

Rajkiya Kanya Mahavidyalaya (RKMV), Shimla

Introduction

An Annual Review Meeting was conducted on 7th May 2026 to assess students' performance in academics, co-curricular, extra-curricular, and extension activities. The objective was to evaluate outcomes, identify gaps, and plan strategic actions for the upcoming academic session to achieve excellence.

Key Observations & Action Taken

1. Academic Performance

Observations:

Overall academic results were satisfactory.

Need to improve performance of average and slow learners.

Action Taken:

Introduction of remedial classes and bridge courses.

Strengthening of mentor-mentee system.

Regular class tests, assignments, and internal assessments.

Use of ICT tools and smart classrooms for better understanding.

2. Co-Curricular Activities

Observations:

Good participation in seminars, debates, and competitions.

Need for more skill-based and career-oriented activities.

Action Taken:

Organization of seminars, workshops, and guest lectures.

Promotion of inter-departmental competitions.

Introduction of certificate/add-on courses.

3. Extra-Curricular Activities

Observations:

Active participation in cultural and sports activities.

Scope for improving student involvement at higher levels.

Action Taken:

Encouragement to participate in inter-college, university, and state-level events.

Strengthening of sports and cultural committees.

Provision of practice sessions and coaching support.

4. Extension Activities

Observations:

NSS, NCC, and outreach programs are functioning well.

Need to increase community engagement.

Action Taken:

आयोजन of awareness drives, cleanliness campaigns, and social outreach programs.

Promotion of community-based learning and field activities.

Increased participation in extension and outreach initiatives.

5. Skill Development & Employability

Observations:

Students require better exposure to career opportunities and practical skills.

Action Taken:

Strengthening of Career Guidance & Placement Cell.

Conduct of career counseling, resume writing, and interview preparation sessions.

Collaboration with industries for internships and placement drives.

6. Infrastructure & Learning Resources

Observations:

Facilities are adequate but require further improvement in ICT.

Action Taken:

Upgradation of ICT-enabled classrooms and digital resources.

Enhancement of library and laboratory facilities.

Improved Wi-Fi and e-learning access.

Future Plan (Next Academic Session)

Focus on outcome-based education (OBE).

Increase industry-academia interaction.

Promote research, innovation, and entrepreneurship.

Enhance student participation in national/international platforms.

Continuous monitoring by IQAC for quality improvement.
