CHOICE BASED CREDIT SYSTEM (CBCS)

From the academic session 2016-17, H.P. University adopted the UGC framework of curriculum under CBCS to ensure uniformity in the standards of higher education and to provide the students with quality education at par with the best in India. The CBCS provides an opportunity for the students to choose subjects from the prescribed courses comprising Core, Elective and Skill. In this system the courses are evaluated following a grading system. The uniform grading system will benefit the students to move across institutions both within and outside India. A candidate shall have to undergo the prescribed courses of study in a period not less than 3 years and not more than 5 years from the date of admission. For more information the student can visit the UGC website www.ugc.ac.in.

Outline

As per the recommendations of the committee constituted by the government, it was decided that the Semester system in UG classes be changed to **Annual System** from the Academic Session 2018-19.

The UG programme (3 year degree course) under CBCS in a college affiliated to H.P. University will comprise of the following categories of courses:

1. **Core Course (CC):** A course, which is compulsorily studied by a candidate as a core requirement.
2. **Discipline Specific Course (DSC):** A course which is chosen from a pool of courses, which are specific/specialised/supportive to the discipline/subject of study, or which provides an extended scope or nurtures the candidate's proficiency/skill.
 - **Discipline Specific Elective (DSE) Course:** Elective courses offered under the main discipline/subject of study are Discipline Specific Elective Courses.
3. **Generic Elective (GE) Course:** An elective course chosen from an unrelated discipline/subject with an intention to seek exposure beyond the discipline/s of choice. GE opted would be other than the two DSCs already offered.
4. **Ability Enhancement Courses:** These are of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).
 - **Ability Enhancement Compulsory Courses (AECC):** Are the courses based upon the content that leads to knowledge enhancement. These are mandatory for all disciplines. Courses to be studied under this are - Environmental Science and English Communication/Modern Indian Languages (MIL).
 - **Skill Enhancement Courses (SEC):** Value-based or skill-based courses, aimed at providing hands-on training designed to enhance competencies and skills of students.

CREDIT DETERMINATION

A student has to earn **132 credits** for pass course degree in B.A./B.Sc./B.Com. Programme.

An undergraduate degree in **Humanities/Commerce** discipline is awarded if a student completes:

- 4 (DSC) Core papers each in two core courses of choice.
- 2 Core papers each in English and MIL respectively (compulsory for all).
- 2 Ability Enhancement Compulsory Courses (AECC) (compulsory for all).
- 4 Skill Enhancement Courses (SEC).
- 2 (DSE) papers each in two selected courses of choice (Discipline Specific Elective).
- 2 papers from the list of Generic Elective (GE) papers.

An undergraduate degree in **Science** discipline is awarded if a student completes:

- 4 (DSC) Core papers each in **three** disciplines of choice.
- 2 Ability Enhancement Compulsory Courses (AECC).
- 4 Skill Enhancement Courses (SEC).
- 2 Discipline Specific Elective (DSE) courses each, in three disciplines of choice.

EVALUATION SYSTEM CREDITS

The term 'credit' refers to the weightage given to a course, usually in terms of the number of instructional hours assigned per week. This explains why 'credit' is usually taken to mean 'credit hours'. For the purpose of credit determination, the instructional hours are divided into 3 components:

LECTURES (L) Class room lectures of one-hour duration.

TUTORIALS (T) Special, elaborate instructions on specific topics (from lecture) of one-hour duration

PRACTICALS (P) Laboratory or field exercises of two-hour duration.

Each one of these components is considered equal to one credit. One lecture (L) or one tutorial (T) of one hour a week is considered as one credit, whereas one practical (P) of two hours a week is considered as one credit. The total weightage given to a course in terms of credits will be equal to L+T+P. This can be written in symbols as:

$C = L + T + P$ (where C is the credit weightage for a particular course)

MARKING / ASSESSMENT SCHEME

As per H.P. University guidelines, the marking scheme for all undergraduate courses in the annual system for **B.Com./ B.A.** programme (with exception of some practical subjects) will be in the ratio of 70:30 i.e., 70 marks for theory (annual examination) and 30 marks for Continuous Comprehensive Assessment (CCA). For all the courses of **B.Sc.** Programme, the ratio will be 50:20:30 i.e., 50 marks for theory (annual examination), 20 marks for practical (annual examination) and 30 marks for CCA respectively.

CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA)

The 30 marks under CCA will be determined by the concerned teacher on the basis of the following components:

1. Mid-Term Test = 10 marks (BA/B.Com/B.Sc.) (15 marks in case of Mathematics, Chemistry, Computer Science)
2. Class Test = 5 marks (BA/B.Com/B.Sc. Physics, Zoology, Botany)
3. Assignments/Seminars = 10 marks
4. Classroom Attendance = 5 marks

Classroom attendance will be defined as follows:

- >75% but <80% = 1 mark.
- >80% but <85% = 2 marks
- >85% but <90% = 3 marks
- >90% but <95% = 4 marks
- >95% = 5 marks

MID-TERM AND CLASS TESTS

Mid-Term Test, which is mandatory for every student to take, will be conducted in each course during the academic year. Mid-Term test will be conducted on completion of 75% of the syllabus.

Class test will be conducted on completion of 40% of the syllabus.

Note: As per the University guidelines, the student who does not score 35% marks in CCA and fails to have minimum 75% class room attendance will not be allowed to appear in the annual examination.
