

Report on Career-Oriented Training Programme

Organized by - Career Counseling and Placement Cell, RKMV

Date of Event: 11th August, 2025

Venue: BCA Lab, RKMV College, Shimla

Introduction

On 11th August, 2025, Mr. Vinesh Regional coordinator, Centre for Advanced Development in Computing (C-DAC), an institute approved by the Ministry of Electronics and Information Technology (MeitY), partnered with RKMV's Career Counseling and Placement Cell to deliver a specialized workshop aimed at advancing the career readiness of BCA and BSc IT students. The event combined expert-led sessions on emerging technologies with guidance on industry expectations and placement strategies. The lecture was attended by 80 students.

The session was conducted by:

- Mr. Vineet Bhuria – Authorized Regional Coordinator of five states: Haryana, Punjab, Himachal Pradesh, Uttar Pradesh, and Uttarakhand
- Mr. Gaurav Paul – Area Manager
- Mr. Rajesh – HR Manager
- Mr. Vijay Singh – Assistant Manager

Courses Offered

The workshop introduced six core offerings from C-DAC, equipping students with in-demand skill sets:

- Artificial Intelligence (AI)
- Cyber Security
- Robotics
- Drone Technology
- Financial Management
- Personality Development & Communication Skills

Benefits for Students

- Job Opportunities: Partner companies will be invited to the college for recruitment drives.
- Skill Development: Focus on technical and soft skills, particularly beneficial for shy or less confident students.
- Industry Exposure: Practical knowledge in high-demand sectors like AI, Robotics, and cybersecurity.

Conclusion

The event was highly informative and inspiring for students, offering a clear pathway for skill enhancement and career growth. Through such initiatives, students of RKMV College

Attendance Sheet - C-DAC SaaS 100 - Dated 11.8.25
